Foreword

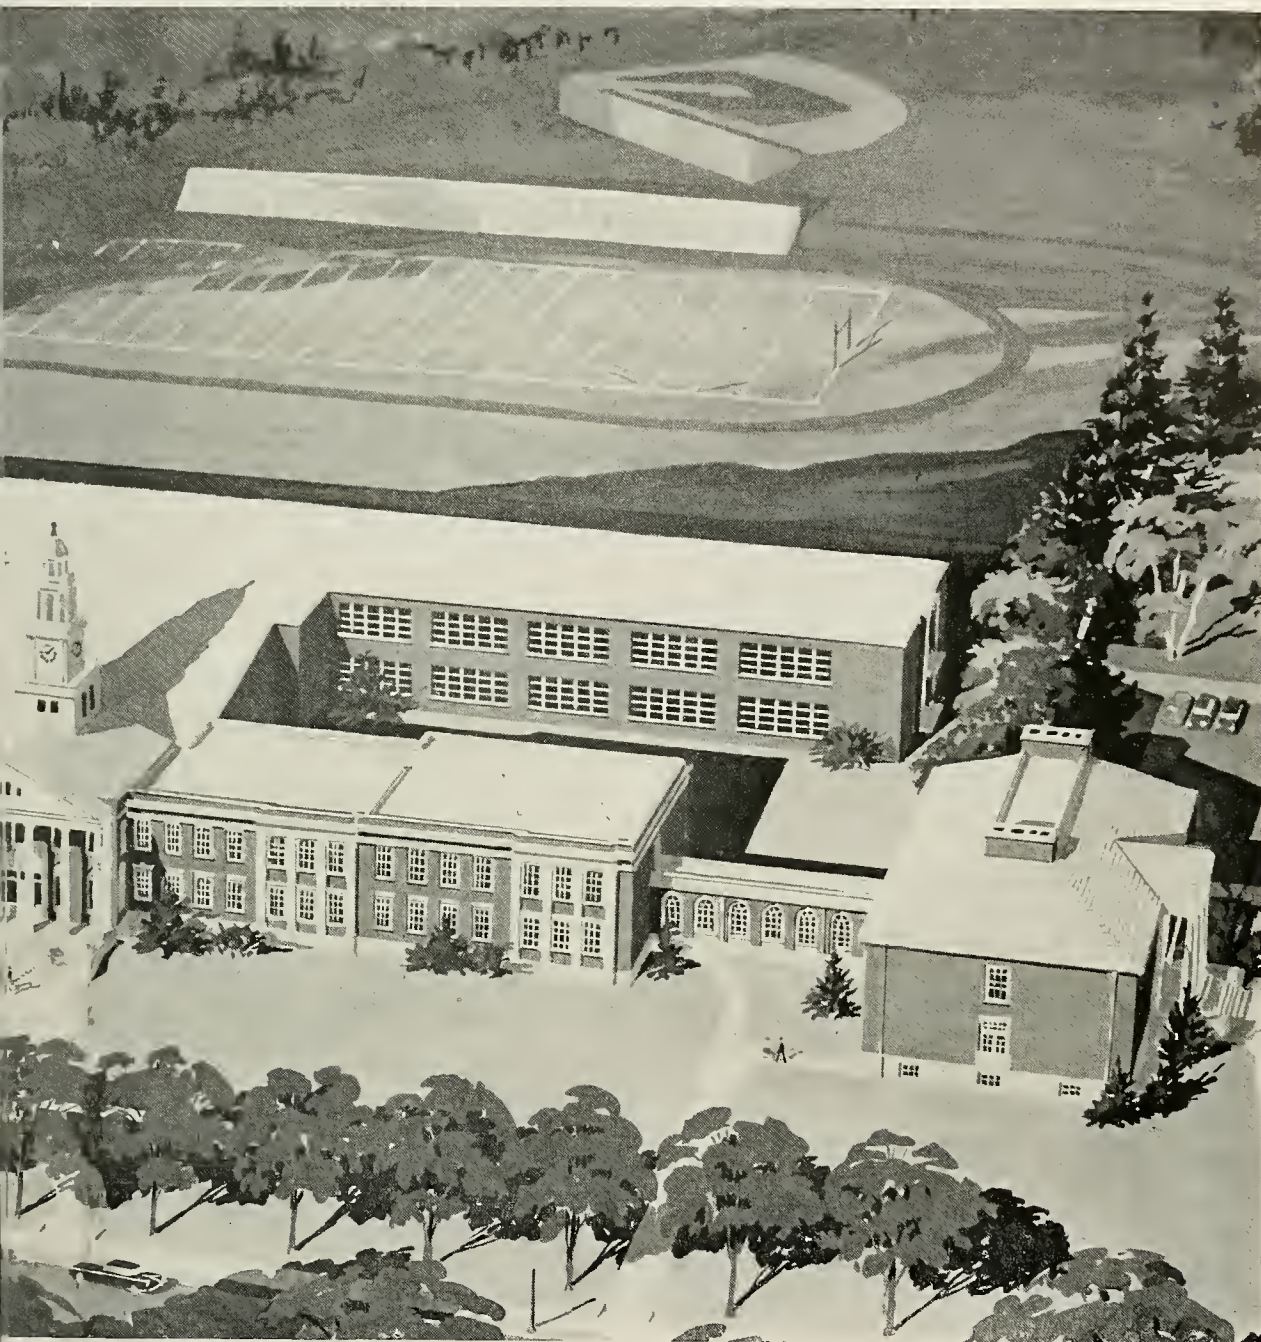

In September of 1959, when the Tiot staff for 1960 met for the first time, the matter of a yearbook theme was discussed at length. After several meetings, it was decided that since with this class we are entering a new decade, we would tie our theme to that fact. Therefore the Challenge of the Sixties is the ambitious thread around which we have endeavored to weave the fabric of our theme. Our yearbook cover bears the immemorial symbol of challenge, the gauntlet, plus the missile which is the sign of the space age in which we live; and the dividers symbolize the acceptance of challenges down through the ages. As the first graduating class of the new decade from Norwood High School, we shall endeavor to do our part to meet the challenge of this great period in human history which has been characterized as the "Soaring Sixties."

In Memoriam

On Good Friday morning, April the fifteenth, the whole town was shocked and saddened by the sudden death of Mr. James J. Gormley. Beyond a doubt the most popular member of the faculty, he will be greatly missed by pupils, teachers, and townspeople in general. In his twenty-eight years as a teacher at Norwood High School, he won a host of friends and admirers whose memory of him will always be of a genial, kindly gentleman with a good word for everyone.

In Appreciation

After thirty years of service in and to the Town of Norwood, Mr. Lincoln D. Lynch is this year retiring from the school system. During these years of fruitful endeavor, Mr. Lynch's name has become synonymous with the school system — he *is* Mr. Norwood School Department, and the number of his accomplishments is legion.

Upon graduation from Rockland High School, Mr. Lynch entered Boston College. After completing his undergraduate work there, he obtained his master's degree from Boston University and went to Bridgewater to teach in the high school, where he remained for eight years.

In September 1931, Lincoln D. Lynch came to the Norwood High School as submaster, faculty manager of athletics, and assistant coach of football. After two years he was elected principal of the Norwood Junior High School and three years later became Superintendent of Schools.

During his years as Superintendent, Mr. Lynch organized the Norwood School Employees Credit Union and served as treasurer and later as director of this organization. He introduced the accident and health insurance plans for teachers, and the Norfolk Area Mental Health Association was organized by him and he served as its president.

He was one of the three people who wrote the framework of the New England School Development Council, and he be-

came a member of its Board of Directors, as well as Chairman of its Science Committee.

Another Chairmanship which he has held is that of the Advancement Committee of the Old Colony Council, Inc., Boy Scouts of America. Mr. Lynch has always taken a very active interest in this organization and for many years conducted the Eagle Boards of Review. He received the Silver Beaver Award for his outstanding service in this work.

He has retained his lively interest in sports and has maintained his membership in the New England Association of Football Officials and the Southeastern Massachusetts District Board of Approved Basketball Officials.

Locally, he is a member of the Norwood Chamber of Commerce and has represented his district as a member of the town meeting where he has been a familiar figure, competently and clearly defining and defending the school budget appropriations. The Norwood Schools have grown and developed immensely under his guidance and administration, and it is with sincere regret that his resignation was accepted by the School Committee. His contribution to the welfare of the young people in this community is immeasurable. We who have benefited so much throughout our entire school career from his administration, express our sincere thanks to him here, and wish him good luck in his new way of life.

Dedication

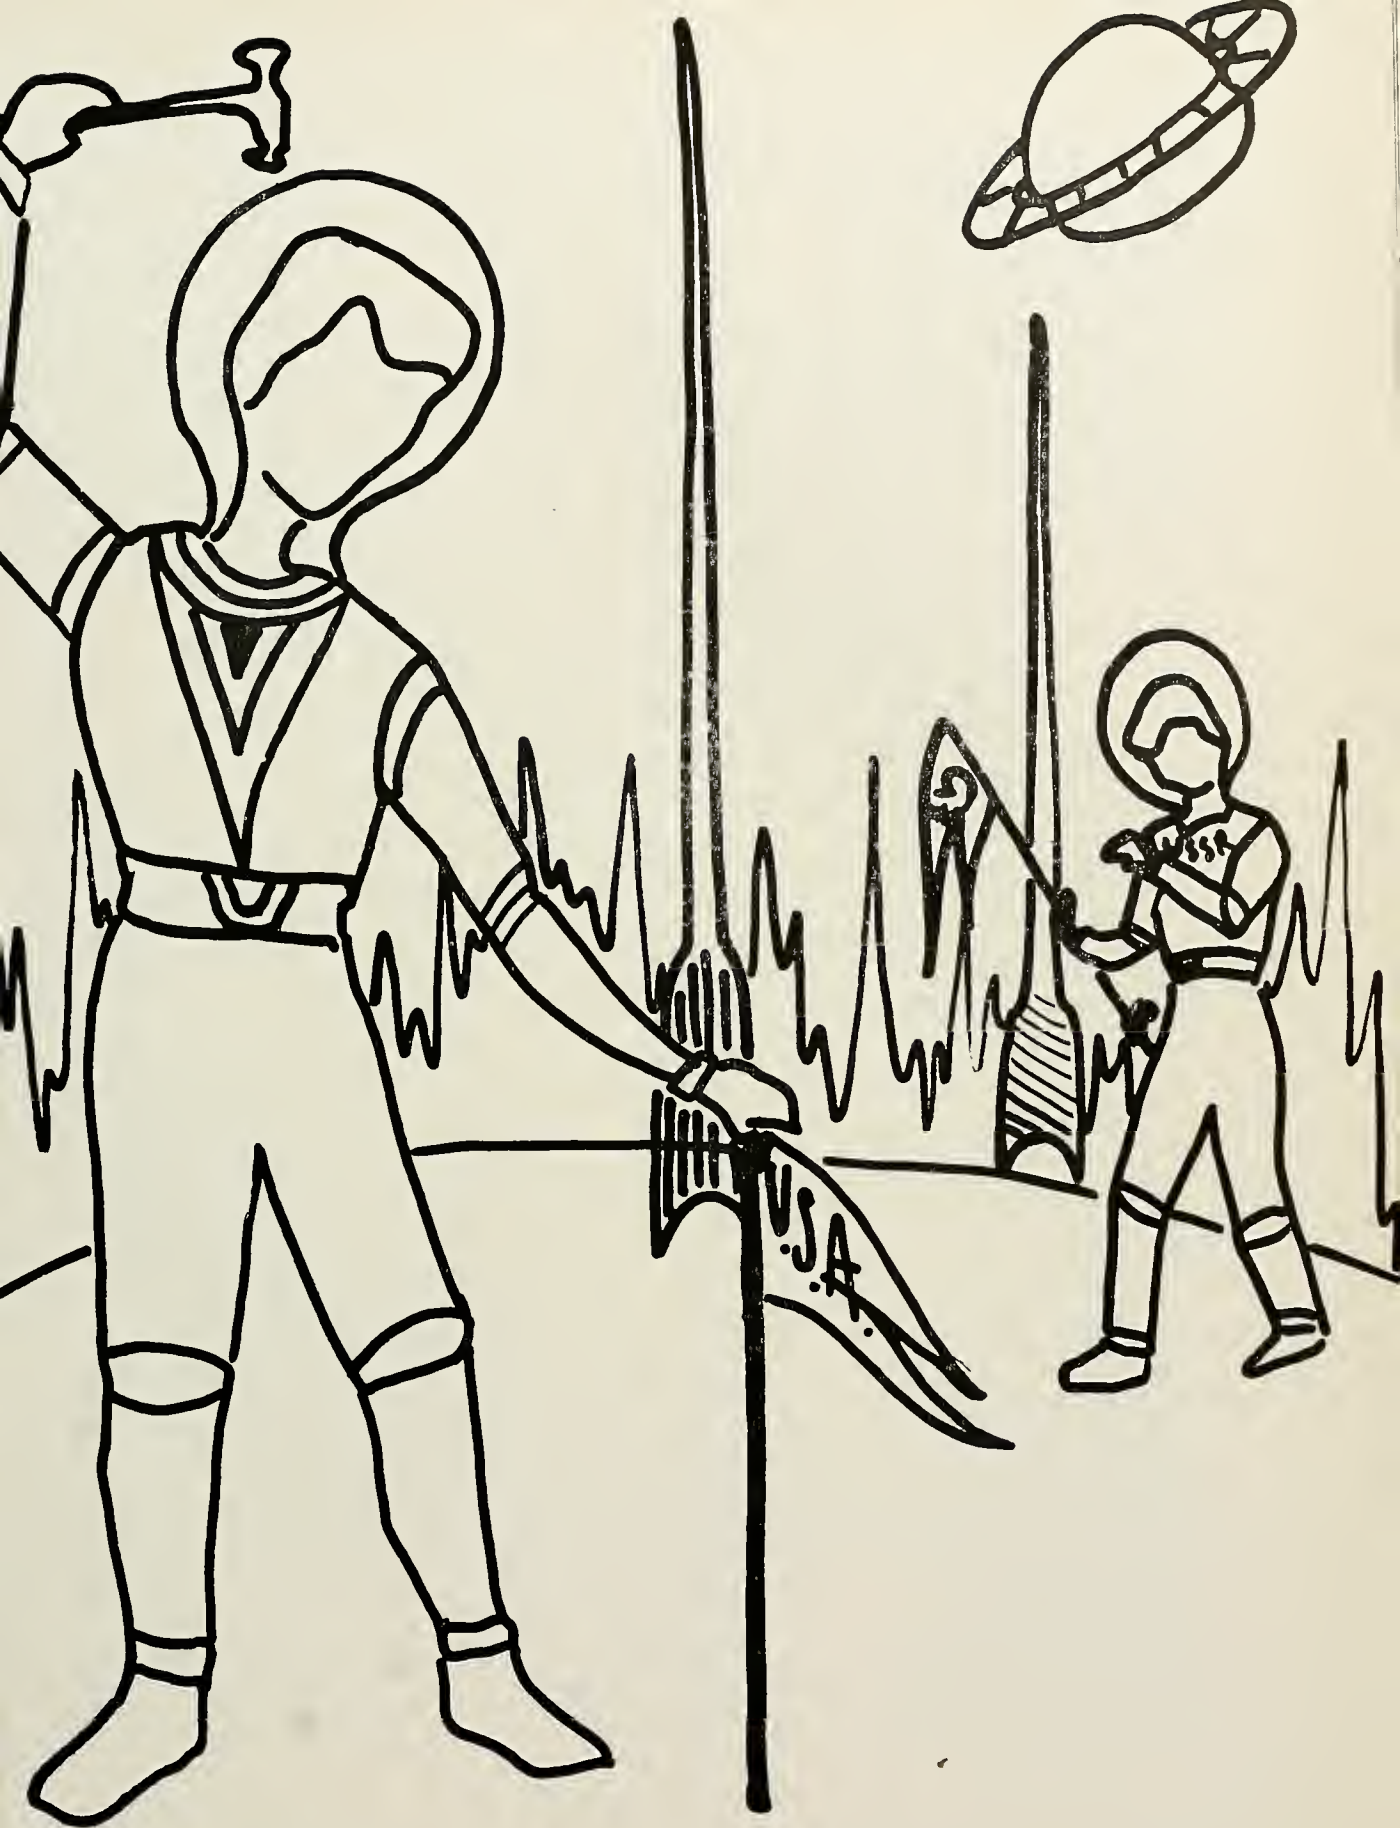

We of the class of 1960 occupy a unique position between the future and the past, for we stand at the threshold of a new and totally different way of life whose full import can only be guessed. Expansion, improvement, and exploration into space are indications of the prosperity and advance to which we look forward, as we do to the proudly anticipated addition to our own Alma Mater.

As a graduating class, the first of a new decade as well as the last before the advent of the school's new addition, we logically mark the division between the old and the new of Norwood High School. With this in mind, we dedicate the 1960 Tiot to the Norwood High School of the future, to its faculty and students, and to the ever-improving standards of education, both in our town and in our nation as a whole.

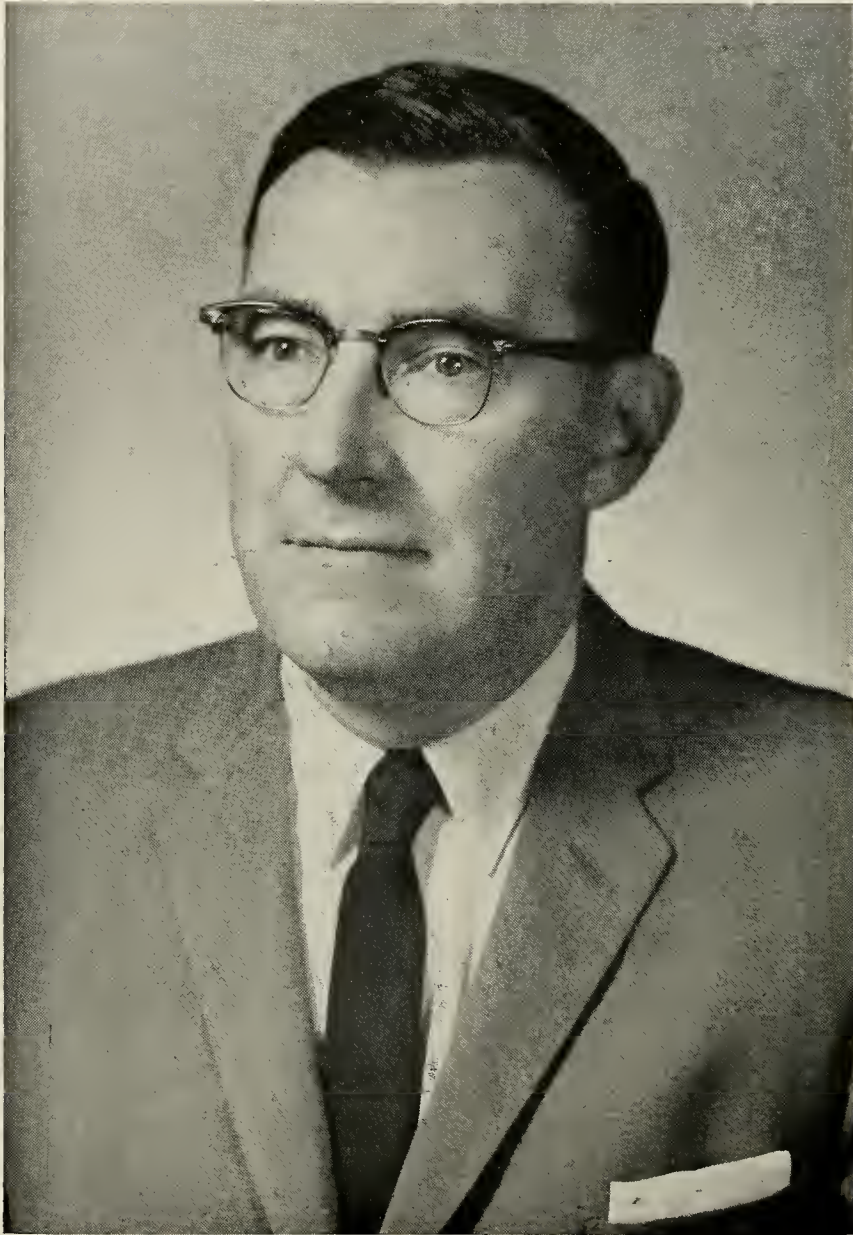

Faculty

The teachers of the next decade must meet the mounting demand for a raised standard of education and a higher degree of training. Classrooms will become increasingly mechanized with television, tape recorders, and other technical innovations, but in the last analysis it is the teacher who is at the heart of the program and the one through whose skill and dedication American youth must be equipped to meet the challenge thrust upon them by a culture alien to their own.

Seniors

As seniors we shall leave high school in the year 1960 to live our lives in the greatest period of growth and opportunity that this nation has ever seen. Competition everywhere will be keener and will demand new adjustments, new ideas, new strengths, and new responsibilities. There will be a great burst of technical progress and scientific advancement as man embarks on his stirring journey into space; but in our culture the individual must remain the center of the universe, for any other road will lead to chaos.

We Began Our High School Careers with Gusto

It was in the memorable month of September in 1957 when we, the class of 1960, took up the challenge to prove ourselves in a three-year contest of scholarship, character, service, and leadership.

To guide us throughout our infant year on the hill, we elected Ronald Hardy, president; Madeline Zilfi, vice-president; Mary Ann Cashen, secretary; Marcia McGuff and Charles Fanning, treasurers; and Helen Eckhardt and Stephen Gulla, A. A. representatives.

Our Sophomore Party, which was held on October 24, initiated the class into the social life at N.H.S. Stormy weather could neither dampen our spirits nor keep us away from this gala affair. Group songs and circle dances, directed by Ron Hardy as emcee, put everyone in the happiest of spirits! Entertainment was not lacking, for the performances of Mary Ann Cooper, Faith Lovell, Jean Mala-

cinski, Madeline Eysie and Mary Ann Rosata received vigorous applause.

Throughout the months our class was well represented in the athletic field. Among those who patiently watched and learned some tricks from the '58 greats were Ed Antonitis, Dave Bader, Tom D'Espinosa, Steve Gulla, Ron Hardy, Bill Hebner, Bob Jesseau, Buddy Lutkus, Joe Ridikas and Mike Scafati. Some fine shooting by Dave Bader, Steve Coakley, Billy Hall, Joe Joy, Dan Laakso and Peter Paul gave the J.V. basketball squad a good season. Our hockey enthusiasts were not to be outdone. Way back then Eddie Graney showed his outstanding ability on the ice.

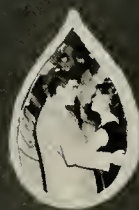

By June, we had one foot in the doorway of success for we had gained the friendship and approval of both the faculty and the upper-classmen. At long last, we had grown up.

Our Middle Year Just Hummed Along

In September of 1958, our second eventful year on the "Hill" began. As upperclassmen we proudly returned, eager to continue in our contest for superiority. How high were our spirits during those first weeks of Cicero, Algebra II, and College Chem! The election of class officers added to our enthusiasm, and we chose Ronald Hardy, president; Brian McTeague, vice president; Mary Ann Cashen, secretary; Jean Malacinski and Charles Fanning, treasurers; Helen Eckhardt and Thomas D'Espinosa, A. A. representatives.

Steve Gulla, Bob Jesseau and Mike Seafati gained the gridiron captainships for the following season. Valuable hockey players were Eddie Graney, Jim Neilsen, George Kozak and Alan Welch, whose fine skating sparked both the first and second line. Capable cagers, Dan Laakso and Tom Jackson totaled approximately four hundred points between them during their first year on the basketball team. Junior members of the Norwood nine who saw action during the '59 season were Joe

Antonelli, Dave Bader, Steve Coakley, Pat Dempsey, Tom D'Espinosa, Dave Drumme, Steve Gulla, Jim Hibbert, Bill Heber, and Dan Laakso.

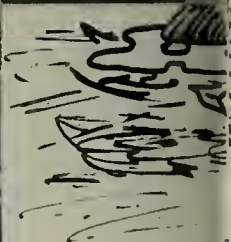

For the first time in the history of N.H.S. three Junior girls were members of the cheer-leading squad. Our cute and competent contributions were Ellie Eckhardt, Jackie Pasioneck and Leona Rentel.

Proud we were indeed when Madeline Zilfi was chosen as foreign exchange student from our class to represent Norwood High in Norway during the summer following our Junior year.

With the coming of spring and April showers came the most wonderful night of the year — the night of our Junior Prom. With the old favorite, "Younger than Springtime," as our theme, we transformed the gym into a colorful garden and danced under a million stars.

Saying "so long" on Class Day to the departing Seniors was both sad and exciting, for we knew that in two short months we would be taking over the leadership at Norwood High!

Our Last Long Mile was Lovely

With the exuberance of Seniors "at last," we returned to N.H.S. prepared to take up the gauntlet, to maintain the distinction, and to defend the fame of our class. Upon our return we happily welcomed Inger Hallstrom, our exchange student from Sweden. "Bunny" as she has been affectionately dubbed, has earned her way into all our hearts with her charm, laughter, and continued good will.

As leader of the leaders we elected Ron Hardy, president for the third consecutive year. The other V.I.P. offices were filled by Brian McTeague, vice president; Mary Ann Cashen, secretary; Jean Malacinski and Vincent Lutkus, treasurers; and Helen Eckhardt and Stephen Gulla, A.A. representatives.

Enthusiastic and vigorous campaigns have been significant preludes to all our elections. Certainly, the most exciting of all was held before the election of Student Council officers, with Steve Sacco, a dark horse in the tense race, claiming

the top position. Although unfamiliar with many of the presidential duties, Steve has endeavored throughout the year to administer wisely and he deserves our heartiest applause for a job well done.

Other momentous elections were held in the early fall to determine who were to hold the title of "Tiotears." The winners were Madeline Zilfi and Patrick Dempsey, editors-in-chief; Barbara Eppich and Charles Fanning, art editors; Diane Daley and Edward Graney, circulation editors; and Marianne Cooper and Vincent Lutkus, advertising editors. Under the guidance of Mrs. Riley, this efficient eight has worked arduously to make our yearbook the "best seller" of 1960.

A tough Natick-Norwood encounter started the football season underway with captains, Gulla, Jesseau, and Scafati; and their cohorts, Antonitis, Bader, Hardy, Hebner, Lutkus, and Ridikas fighting for the glory of the "blue and white." Ardent supporters of our men were cheerleaders,

Mary Ann Cashen, Ellie Eekhardt, Jackie Pasioneck, Polly Kugel, Jean Malaeinski, Paula Wilder, Jackie Solomon, Dale Johnson, and captain, Leona Rentel.

On Friday, the 20th of November, Barbara Souther and Joe Condon, '60's Ace Thespians, starred in our class play, "Merry Christmas, Mr. Baxter." Our thanks go to Mr. Flaherty who directed this sellout and our applause, to "Janey" Mahoney, "Bobby" O'Conner, and Tweeter's friend whose antics delighted us all.

Fully anticipating successful hoop and net seasons, we eagerly awaited those first important games. From the foremost contest up through the last, loyal basketball fans thrilled to the high scoring of Dan Laakso and Tom Jackson, our representatives on the B.S.L. All-Star team. How proud we were of captain Laakso whose sharp shooting gained for him the title of top scorer in the league.

What can ever surpass the excitement experienced at the hockey games? Many a winter's night we spent singing the praises of the "Golden Nuggets" as Ed Graney, Jim Neilson, George Kozak, Alan Welsh, and Dave Walton skated to each victory. A flip of a coin may have put Norwood in the play-offs, but these boys proved themselves worthy of Lady Luck's favor by ending the season with an impressive record.

The final presentation of our class, our

musical entitled *The Tall Trees*, was given on May 6, 1960. The leads, Janna Bremer, Jerome McMahon, and George Perna, were wholeheartedly supported by the chorus and dance groups of Seniors. The fun we had working together to make this show a success will be remembered long after we have separated.

Although busy with numerous pre-graduation tasks we took the time to root for our senior baseball heroes Gulla, Hebner, Drummey, Dempsey, D'Espinosa, Laakso, Hibbert, Coakley, Bader, and Connolly, who proved a formidable threat to all opponents.

Highlighting our last month at NHS, the Senior prom was a marvelous and truly unforgettable experience.

As the grand finale of our stay on the "hill" we Seniors are attending Class Day with mixed emotions of gratitude, joy, and sorrow. We extend our sincerest thanks to Mr. Hayden and Mr. Roehle, to our guidance directors, Miss Ryan and Mr. White, to our class advisers, to our teachers and coaches, and to our parents who are sharing this memorable moment with us today. Realizing that the days ahead may not always be as joyous as this one, we dauntlessly cross that threshold of adulthood carrying enough fond memories to sustain us in the darkest hour.

Impressions of United States and Norway

What I remember about Norway and my summer there

The generous and hospitable people.
Icy dips in clear blue fiords.

12 mile mountain hikes to work up
an appetite.

Multi-colored flowers and plants
galore.

Gay outdoor restaurants and dancing
spots.

Vivid contrasts between old and new
in manners, dress and speech.

Delicious fried whale steak.

Unbelievably narrow and twisting
roads.

The song-like Norwegian language.

Rich pastries and the fifteen pounds
I gained!

The many speeches I've had to make
since my trip.

Madeline Zilfi

What I will remember about the United States

My wonderful American family—the
Fishers.

All you adorable kids at Norwood
High.

Pizza and spearmint gum.

Chocolate ice cream at Furlong's.
Bermuda shorts . . . on the strangest
people!

2 hours' detention for chewing above-
mentioned gum.

The exciting football games (but I
wish I understood them)

Crew-cut boys in convertibles

Hockey games and the high excite-
ment in the Boston Arena.

The day I got my school ring.

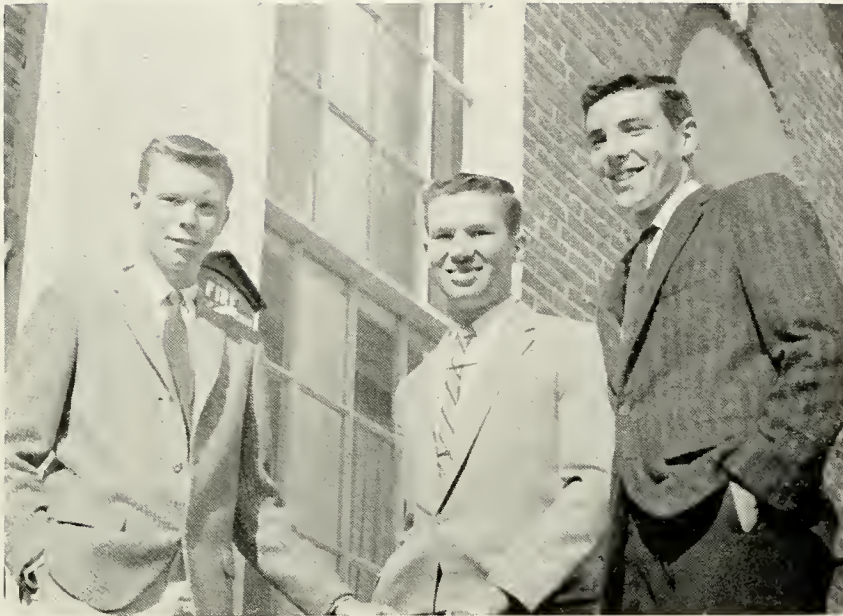

How nice every body has been to me
and what a wonderful year I have had.

Stephen Sacco, Student Council President; Ronald Hardy, Class President;
Patrick Dempsey, Year Book Chief Editor.

Top Men on Totem Pole

The three top positions in the class of 1960 were held by the personable trio in the picture above.

The tall blond with the clean cut features is Stephen Sacco, who was the competent President of the Student Council, as well as a charter member of the Norwood Chapter of the National Honor Society. Steve is especially interested in mechanical engineering, and will attend Worcester Polytechnic Institute next year.

The handsome and stalwart Class President, Ronald Hardy, was chief executive of his class for three years. His class-

mates naturally voted him the most popular man in the class, as well as the most talented and dependable. He also plays the piano very well and was a consistently fine player in both football and basketball. Brown or Bates will be fortunate in having him as a Freshman in the Fall.

Dark-eyed, good-looking Patrick Dempsey was Editor-in-Chief of the Senior Year Book. An outstanding third baseman, Pat also maintained an honor roll status during his high school career. Versatile, well-liked by his classmates, Pat is a good public-relations man. Boston College is his choice for furthering his education.

English Department

Through the use of selected reading materials of the various types of literature, such as the short story, biography, novel, poetry, and drama, the English Department endeavors to develop critical thinking, comprehension, and interpretation in the individual student. In the English classes emphasis is also placed on the relationship between literature and life. To bring out the finer points in full comprehension, students in their classes conduct panel discussions, deliver oral topics, and write essays, as well as read a great number of supplementary books. The amount of grammar offered to a student in a given year is dependent upon his particular need for training, as indicated by prognostic tests in the mechanics of composition, spelling, punctuation, and vocabulary; however, time is allotted each year for a thorough review of grammar and correct usage for all students. The student's success in his other classes is largely contingent upon his mastering of fundamental English concepts.

For those students who wish to improve their reading skills, the High School offers an excellent development program to increase the student's rate of reading and comprehension.

A special honors track course is designed for those students who have demonstrated exceptional ability in English and who wish to undertake accelerated work in this field.

Foreign Language Department

The basic aim of the Foreign Language department is to develop in the students a satisfactory degree of skill in speaking, understanding, and writing the language of his choice.

In French the student is drilled in pronunciation, grammar, vocabulary, conversation and comprehension of texts while aided by records, songs, and cultural background materials. In French II extensive verb study is given and greater emphasis is placed on vocabulary enrichment. In the third year, emphasis is put on more extensive reading in French literature and texts, although the formal study of grammar is continued. Utilizing his ability to read without translating, the student is offered a survey of French history and the use of tape recordings, earphones, and films provides an opportunity for the students to hear themselves as well as native speakers.

After the study of Caesar's "Commentaries" and Latin composition in Latin II, the student proceeds to the six or more original orations of Cicero in the third year, and the works of the Latin poets including Virgil and Ovid in the fourth year. Class work is supplemented by outside reading pertaining to classical civilization.

Two years of Spanish offer thorough training in essential grammar, vocabulary, and pronunciation. The reading of texts and novels is increased in the second year as in the use of films, study-scripts, and records.

Mathematics Department

The program of Mathematics for Sophomores includes courses in Algebra 2, Geometry, and Basic Mathematics. Algebra and Geometry are college preparatory subjects, Basic Mathematics being for those students who do not wish to pursue college work.

Algebra I develops skill in factoring, quadratics, fractions, and equations. The Geometry course concerns the study of plane figures, congruence, and similarity. The student is also introduced to deductive and inductive reasoning which will aid him in his college work and in everyday living.

For Juniors Algebra 2 is offered. Included in the topics are radicals, imaginaries, logarithms, simple trigonometry, progressions, the binomial theorem and advanced material which is necessary to meet college requirements.

Advanced Math, Solid Geometry, College Preparatory Mathematics, and Basic Mathematics are the courses offered for Seniors. Advanced Mathematics covers all the usual topics in Plane Trigonometry and also considers Sets, Probability, Calculus, introduction to Theory of Equations, Permutations, Combinations, and other advanced topics.

College Preparatory Mathematics and Solid Geometry are minor subjects and meet only twice weekly. College Preparatory Mathematics includes most of the topics taken in Advanced Mathematics but the course is less intense.

The Honors Track Course is offered in all of these subjects except Basic Mathematics and Algebra I. This accelerated course may be elected only by those students who have attained an A or a high B for the corresponding subject in the previous year.

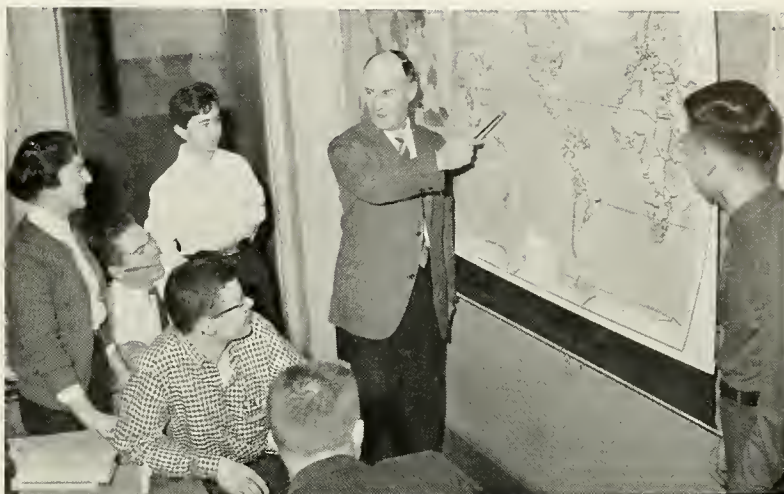

History Department

The understanding of man, past, present, and future, is the far-reaching object of the History Department. World History stresses the development of civilization from Biblical times to the present day, while the skills and techniques of Social Studies are emphasized.

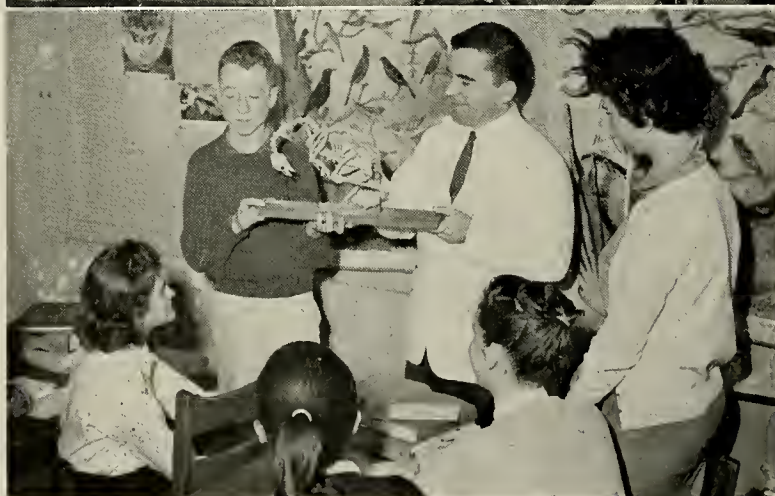

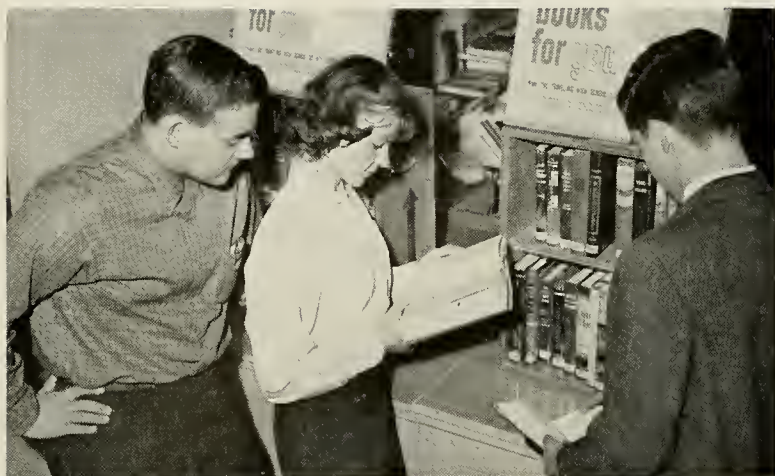

American History covers the growth of our country from the Exploration Period to the 20th century with a special study of federal government and forms of city government included.

The purpose of Consumer Economics is to develop economic literacy by means of a thorough study of the worlds of finance, money, stocks and bonds, prices, and controls. The study of such publications as Consumers' Union Bulletins and Kiplinger Magazines is intended to supplement text book material.

Modern Problems consists of an examination of problems and issues in contemporary life with the view of presenting democratic ideas and practices. Along with current news events, students discuss such topics as public opinion, advertising, newspapers, integration, minorities, labor unions, unemployment, lobbies, and big business. This course provides an opportunity for the students to study, understand, and evaluate these problems and thus prepare themselves to participate as informed citizens in our democratic society.

Science Department

In the science course for Sophomores, Biology offers an intense study of Zoology, Botany, and Human Biology. Each student is encouraged to undertake a project in his particular field of interest.

For Juniors, Chemistry gives a well-rounded and complete study of the chemical laws and principles and also increases the pupil's understanding of chemical processes in everyday life. The Honors Track Course in Chemistry offers advanced topics not usually introduced at high school level, as well as an intensive treatment of the usual topics studied in college preparatory chemistry. Chemistry 32 is an Applied Chemistry course and is intended to give the student a general introduction to an appreciation of chemistry as it affects daily life.

For Seniors, a special Physics Course is offered. This course, which is developed by the Physical Science Study Committee, is designed to teach a knowledge of Physics and to develop a thoughtful scientific attitude. Physics 42 is an applied course and places more emphasis on specific applications of Physics to the immediate environment, to electrical appliances, household heating systems, automobile engines, and power mechanics.

The Honors Track Course in all of these subjects may be elected only by those students who have attained an A or a high B for the corresponding subject in the previous year.

Business Department

The Business Course includes such subjects as Typewriting, Stenography, Filing, Bookkeeping, Business Arithmetic, and Business Law. Typewriting includes practice in fundamental operations and also stresses speed and accuracy. A special Typewriting Course is offered for students who plan to attend a school of higher learning. Stenography and Bookkeeping are studied for vocational as well as personal use.

Filing gives the students a fundamental knowledge of classification; of separation of folders and guides, and of various types of equipment which are used.

Business Arithmetic teaches the pupil to develop the ability to solve business arithmetic problems with a high degree of accuracy.

Business Law aims to present the pupil with a general knowledge of legal principles and to develop an intelligent citizen, one who knows his moral, and legal obligations.

Also offered in the business course is Economic Geography which gives the student a background of understanding and information that shows the economic interdependence of mankind. The main concern of this course is the study of the United States and other nations of the world today in providing for their food and industrial needs.

Seniors who have taken the business course in the 10th and 11th grades may elect an Advanced Business Course which includes a more intensive study of business topics and which also introduces new subjects such as shorthand and transcription.

Music and Art

Art Majors and Minors are offered at 10th, 11th, and 12th grade levels. The Art Major Course includes both elementary and advanced study in drawing, painting, design, color, and poster work. The student has a chance to gain some experience in techniques of water color, oil painting, charcoal, and pastels. The prerequisite for an Art Major is a B or above in the previous Art Course. Art is offered as a minor two or three times a week, according to the schedule of the student. It includes a less intensive study of Art Major topics. The prerequisite is a C or better in the previous Art Course. Bulletin Boards in the main hall frequently illustrate the excellent work done by the students in this department, and the murals in the library are the work of preceding classes.

The greatest appreciation, understanding, and learning about music come from actual participation in the production of the music itself. Therefore, at Norwood High School, emphasis is placed upon being a member of the major musical organizations in order to study music. For those interested and trained in instrumental music, the Band and an orchestral ensemble provide the medium for this interest. For those qualified to sing part music, there are various choral groups. The Varsity Choir is for mixed voices; the Hi-Fis is for boys; and the Hi-Los for girls. The Senior Musicales and the Spring Concert give students the opportunity to perform for the general public. Norwood participates in the Massachusetts All-State and District Concerts, as well.

Home Economics and Industrial Art

Homemaking is the main course of the Home Economics program and is offered as a major to Junior girls, and as a major and a minor for Sophomore girls. The topics studied in Homemaking are divided equally between Foods and Clothing Laboratories. The Foods course involves a study of meal planning, nutrition, and table service. In clothing, the emphasis is placed on sewing and the construction of articles of clothing for the individual. The Homemaking course for Junior girls is an advanced study of many of the same topics taken up in the Sophomore Homemaking course. Home management and advanced study in textiles are also included.

Youth problems is a required course for all Junior girls who do not elect the Homemaking major. This is primarily an orientation course and includes discussion of vital problems most necessary to the adjustment and development of the High School girl.

Mechanical Drawing is offered in the Sophomore, Junior, and Senior years both as a major and as a minor subject. Mechanical Drawing Major I is a course designed to teach the student the basic skills of drafting.

Mechanical Drawing Major II is an advanced course which offers an intensive study of topics taken in Mechanical Drawing Major I, and also deals with development of surfaces, revolutions, charts, graphs, and maps.

Mechanical Drawing Major III is a continuation of Mechanical Drawing II and it deals with many of the same topics. Mechanical Drawing Minors I, II, and III meet two or three times weekly, according to the schedule of the student. The topics offered are those of Mechanical Drawing Major but with limitations because of the shorter time period.

Boys' Vocational School

MAN — WITHOUT TOOLS HE IS NOTHING — WITH TOOLS HE IS ALL.

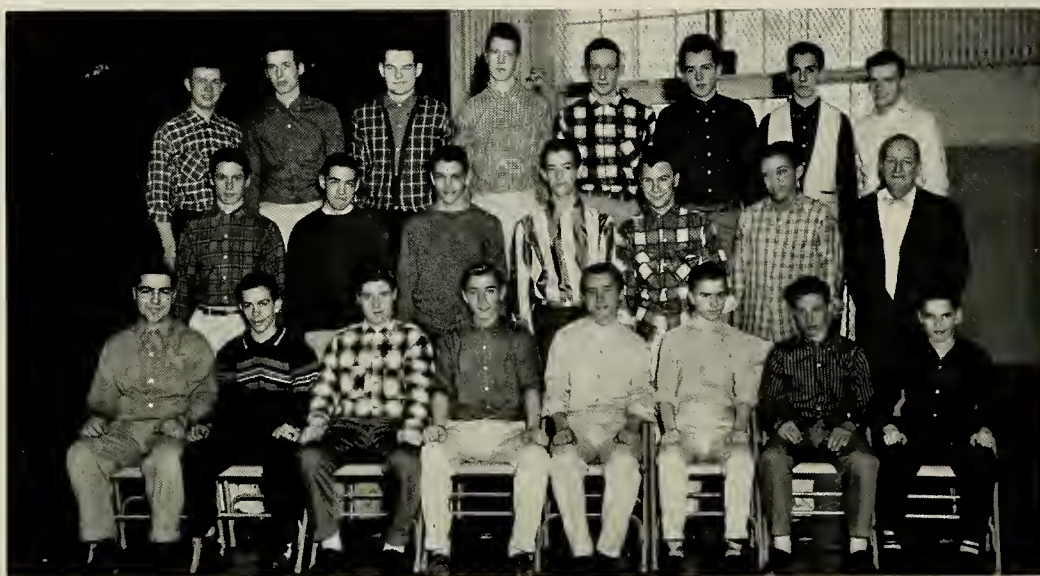

Thomas Carlyle

The class of 1960 makes the seventeenth group of boys to graduate from our boys' vocational school. Looking back over the years, when the first group entered the school and received their first real trade and shop experience, the feeling of a tremendous step forward developed. This feeling was intensified as promotion to the next grade provided even more thorough and intensive trade training, and projects

of greater challenge to skills were undertaken, and advancement and achievements were successfully attained.

The academic and related work has provided through the years a well balanced educational background, as well as the ability to express ones' self clearly and adequately, which is so essential to each graduate when he seeks employment.

Peabody

Creative ability is vital to the strength of our society; for otherwise, without the development of these talents in both the major and the minor arts, automation will rob us of our individuality. While there exists a variety of occupations and while these jobs are done well, the United States will remain strong economically and socially; for our nation needs farmers as well as financiers, bakers as well as business leaders, and painters as well as politicians. In all phases of life it is essential that the talents of the individual be fully developed along the lines of his own choosing and of his own competence for a better life and a better country in which to live it.

Peabody Departments

BEAUTY

High standards of performance and a passing grade on the state examination promise opportunities for the cosmetology student. Areas of work include shop operator or owner, facial specialists, manicurist, and stylist.

ART

The Art Department accents color and design as applied to each trade. In addition, the department serves the school in its activities by helping to coordinate classrooms and extra-curricular activities with artistic ideas.

FASHION

Students of fashion find avenues of interesting work. Designing, pattern drafting, fitting, power-operating, tailoring, stitchery, and textile mending are some of the possibilities. Many graduates enjoy working in private establishments or operating businesses of their own.

Peabody Departments

ACADEMIC

Academic classes are a vital part of each student's daily program. English, social studies, mathematics, and related science are among the subjects which contribute to the cultural as well as the professional growth of each individual.

BUSINESS

The work accomplished by those in the business classes opens the way to interesting careers as secretaries, stenographers, file clerks, machine operators, typists, and general office clerks. Graduates assume initial positions of responsibility with promise of rapid advancement.

FOODS

Training in the commercial foods field assures graduates of profitable positions as caterers, assistant chefs, tea room operators, pastry cooks, bakers, and restaurant helpers. Employer demands have increased placement of students in many outstanding food establishments.

The Peabody Press Club Kept The Town "Au Courant"

The Press Club of the Henry O. Peabody this year is composed of a group of students who have been selected for their writing ability and their aggressiveness in finding and reporting the news and happenings of the day to the members of the school and to the community.

Outstanding leadership has been given this year by Chairman Barbara Ferrara and Vice-chairman Barbara Cass, with excellent work being done by members: Mary Tyrrell, William Maglio, Ernesta

Wright, Carole Santoro, Anne Booth, Karen Chisholm, and Linda Mastandrea.

The news gathered by these students is edited in the typewriting class, and it is typed for the column "Peabody Personalities" which appears weekly in the *Norwood Messenger*. Typists this year have been Dorothy Hayes, Joyee Fatch, and Marjorie White. Teachers working with the Press Club this year are: Mrs. Beardsell, Miss Page, Mrs. Butler, and Miss McCready.

The Peabody Student Co-operative Association Kept Things Moving

In June of 1959, Janice Leston and Patricia Clem were elected president and vice-president of the Student Co-operative Association for the coming year. In September, Linda Mastandrea and Suzanne Pelletier were added to the list of officers as secretary and treasurer. A homeroom representative and an alternate were elected by each homeroom to complete the membership of the Executive Board.

The members of the Board guide the student activities during the year. Among the affairs are the Get-Acquainted Tea, Christmas Sale, White Elephant Sale, Skating Party, and trips to the theater, museums, and places of historical interest.

The money raised by the Association is used to sponsor the trips and to defray part of the student expenses for many of the extra-curricular activities.

These Were The High Spots Of Our Year At Peabody

As we are about to cross the threshold of a new way of life, we have but two thoughts: the pleasant memories of our senior year at Peabody and what place we will take in life.

Our memories go back to September of our senior year when we had our "Get-Acquainted Tea." Following the Tea, came the election of the Student Co-operative Board members. With all formalities taken care of, we were ready for a year of wholesome activities, as well as professional education.

October brought us many memorable activities. The theatre played an important part in our cultural education and Parents' Night enabled parents, teachers, and students to become better acquainted.

Turkey, mashed potatoes, and the trimmings remind us of our wonderful Thanksgiving dinner. It took place on November 24 and was a real treat right down to the last calorie.

December brought Peabody's well-known Christmas Sale. Each department contributed its best to make the sale a success. Then came our Christmas Pageant, which this year had for a theme: The Meaning of Christmas, shown through music and literature. The day was climaxed by the students' favorite dinner, which according to custom, was served by the teachers.

January brought our annual White Elephant Sale. This was an exciting time when everyone donated a gift to be sold at a very low cost. Each year the sale proves to be more successful than the previous one.

Cold weather, ice, and snow helped to make February a fun-filled month. This was the time we all sharpened our skates, and made our way to Rocky Woods, where our annual skating party was held.

March was the month when the Fashions Department came into "full bloom." The girls put on a fashion show and modeled the clothes as well. This enabled them to show their talent, and they gained the confidence that is always a great asset to character.

May was the most exciting month of all. This recalled the time when all the boys and girls put their best foot forward and asked their favorite date to the most wonderful occasion of all. What was it? It was our school prom!

Quickly the days went by; and before we knew it, June was here. This meant an end to school days! The step party was held on June 2. We, as seniors, realized now that activities were over, memories would linger, and responsibility lay ahead!

Undergraduates

To our esteemed colleagues, the juniors and sophomores of Norwood High School, we say "Keep tuned in on the world. Be aware of the incalculable opportunities which surround you. As future citizens, increase your knowledge of foreign affairs and work effectively for true international understanding and the betterment of mankind. It is your challenge to keep America strong spiritually, socially, and economically; for only in this manner can the American way of life be preserved and improved."

The Class of 1961

Showed Superiority

With vigor and persistence the Class of 1961 marched through their difficult but eventful Junior year. For the assurance of strong and capable leadership throughout the year we elected the following class officers: Charles Donahue, president; David Nugent, vice-president; Noreen Connolly, secretary; Joan Bayer and Salvi Constantino, treasurers; and Jacqueline Diggs and Joseph Yelapi, A. A. Representatives.

The class was well represented in all sports. In football Phil DeRose, John O'Donnell, Jackie Cotter, and Jackie Lane were outstanding; in hockey Charlie Donahue, Paul Johnson, and Donnie Smith gained fame; and in basketball Phil DeRose and Larry Newman were valuable assets to the team. Girls' basketball was recognized after the Student Council's decision that spectators would be allowed to attend their games. The majority of those hoopsters were Juniors, and Diane Welch, Jackie Diggs, Ann Oberlander,

and Janet Feeney were the stars. Baseball and tennis were also played with pride and enthusiasm.

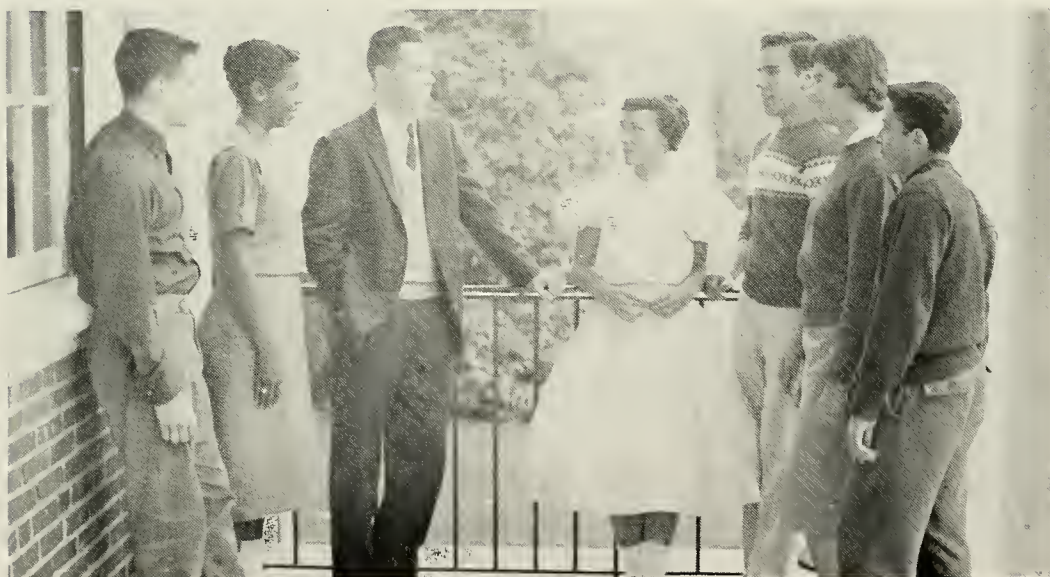

Three of our girls were on the cheering squad this season: Dale Johnson, Jackie Solomon, and Paula Wilder.

After many hours of diligent and fun-filled work by various committees, came our long-awaited Junior Prom. Every minute of this important soirée was filled with enjoyment and enchantment.

The Class Day ceremony was sad, because we really didn't want our close senior friends to leave; but we were happy, too, since we knew that we would be the seniors of old Norwood High School in the fall.

The Sophomores Make Their Bow

Susan Carolan
Class Historian

Last September the halls of the "school on the hill" resounded with the nervous laughter and anxious chatter of the class of 1962. It took time to adjust to the various freedoms and privileges, and to get the layout of the school clear in our minds, but we were soon settled down and began the first year of our high school career by electing our class officers. President, John D'Espinosa; Vice-President, Paul Karshis; Secretary, Maribeth Pender; Boys' A A Representative, Charlie Maxon; Girls' A A Representative, Diane Bartolotti; Boys' Treasurer, Christie Tragakis and Girls' Treasurer, Kathy McAuliffe were chosen by ballot to lead us.

As a class we held our first social event, the Sophomore Party, in October, under the direction of Mr. Sullivan. Dancing, refreshments and entertainment by our talented members were enjoyed by all.

In the big football season, Coach Seafati used some of our sophomore football

players, including: Paul Bender, Billy Davis, John D'Espinosa and Denny Mattson. In hockey, Mr. Monbouquette seemed quite satisfied with Dave McCue's ability, and Mr. Richardson found Pete Maddocks capable as a hoopster.

The traditional Christmas assembly was presented by our class and featured solos and Bible readings. The assembly was a beautiful one with the Varsity Choir adding much to everyone's enjoyment.

Now after many months of working for honors, attending school events and trying to impress our "big brothers and sisters," we have made our imprint on N.H.S. and we hope to continue this pattern of excellence through the next two years.

Activities

Along with the larger incomes, a higher living standard, and more gadgets will come a new age of leisure unprecedented in the amount of time each individual will be able to allot to recreation and entertainment. It has been said that the world may become as much a playground as a workshop. That most precious of commodities, time, must not be filled or killed with unproductive mass distraction but rather used to the hilt for developing creative capacities and for self-improvement and spiritual and mental growth.

Student Council Executive Board

The Student Council Had An Active Year of Accomplishment

The Norwood High Student Council of 1959-1960 reached new heights under the skillful leadership of Steven Sacco, President; Charles Donahue, Vice President; Elaine Mahoney, Recording Secretary; Marcia McGuff, Treasurer; Gail Novick, Corresponding Secretary. The Executive Board consisting of David Bader, Chairman; Susan Glynn, Steven Coakley, Edward Graney, Daniel Sarno, and James Hilliard was also essential in setting high standards of leadership at Norwood High.

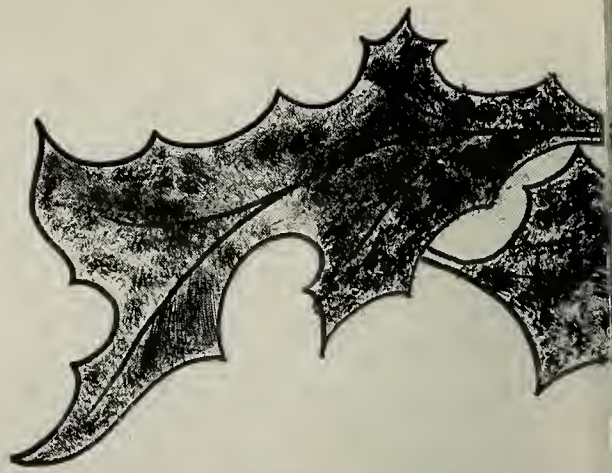

In August, The American Field Service with the assistance of the Council brought to Norwood High, Miss Inger Hallstrom, an exchange student from Sweden who has been a welcomed addition to our school.

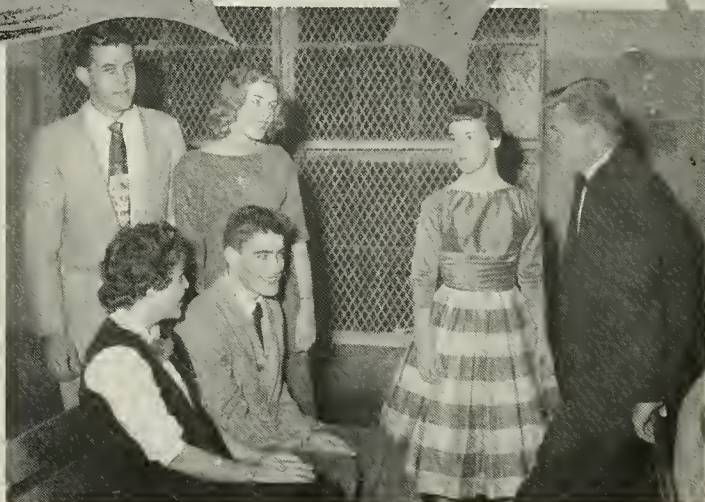

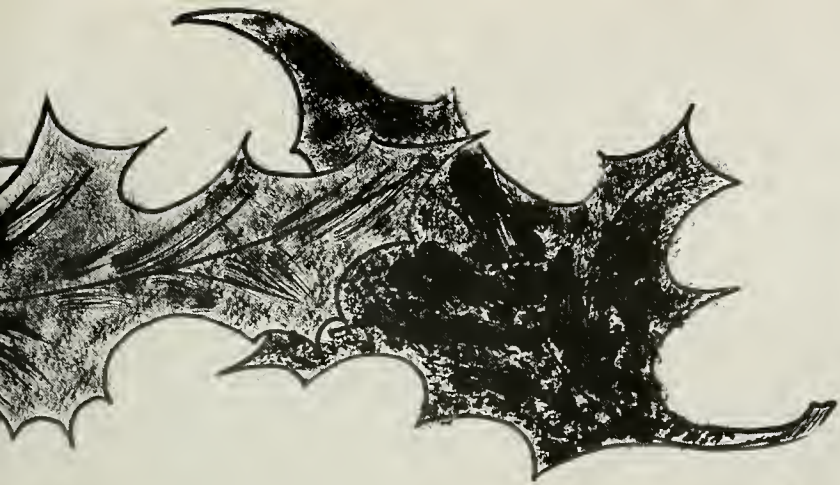

On November tenth, we sponsored our annual Autumn Frolic Dance. The gym was decorated with festive fall colors and

two hundred and sixty-three dollars was the sum received from the dance, of which two hundred was donated to the Foreign Exchange Fund. On March 4, five foreign exchange students from surrounding towns participated in an interesting panel discussion which launched the beginning of our Foreign Exchange Drive.

The Student Council meetings had many vital and interesting discussions throughout the year and many measures were passed which aided the student body. This is the Council's underlying purpose.

The Student Council would have been unable to attain such a high degree of efficiency if it had not been for the tireless efforts of Miss Hubbard, our adviser, to whom our sincere gratitude goes, as well as to all the other members of the faculty who have helped to make this year's Student Council a success.

We Joined the National Honor Society This Year

This year through the efforts of Mrs. Coburn and Mr. Hayden, a chapter of the National Honor Society was established at Norwood High. After much consultation with both the faculty and representatives from the student council, rigid scholastic and citizenship requirements were evolved, in accordance with nation-wide standards.

In order for seniors to become members, their names must have been included five times consecutively on the honor roll, with at least two citations for first honors. Juniors who have been on the honor roll five times consecutively with at least three citations for first honors also

qualify scholastically. This group is then rated by the faculty for leadership qualities and school service.

Twelve seniors and eight juniors were pledged into the Society at an assembly which was attended by the Superintendent of Schools, Lincoln D. Lynch, members of the school committee, and many parents. In keeping with the scholarship theme of the assembly, Dr. Edwin Booth of Boston University, professor of History and Theology, spoke to the students about the importance of good scholarship and the challenge to the student of superior intellectual ability in today's changing world.

Gail Novick
Secretary

Although it was beset by many difficulties, the "Hilltopper" was published again for a third year. The energy and hard work of our staff combined with the guidance of our adviser, Miss Evans, to overcome our problems.

Each of the reporters did a fine job in his area. The sport highlights were handled capably by David Kelly. Mary Deasy and Skirmante Makaitis collaborated to produce an article on school spirit, and our "Dear Gabby" column. Skirmante also wrote an original short story, which was published in our March issue. "Notes of Interest," a column which

brought attention to coming events and current happenings, was written by Gail Novick, the paper's secretary-treasurer. Algis Makaitis presented a series of articles on the functioning of the Student Council. There was a capable group of all-round reporters: Dana Gray, Philip Balboni, Donald Meeker, James Crawford, and Christie Tragakis. Our typists were Carol Giers, Mary Regan, and Alice Connolly.

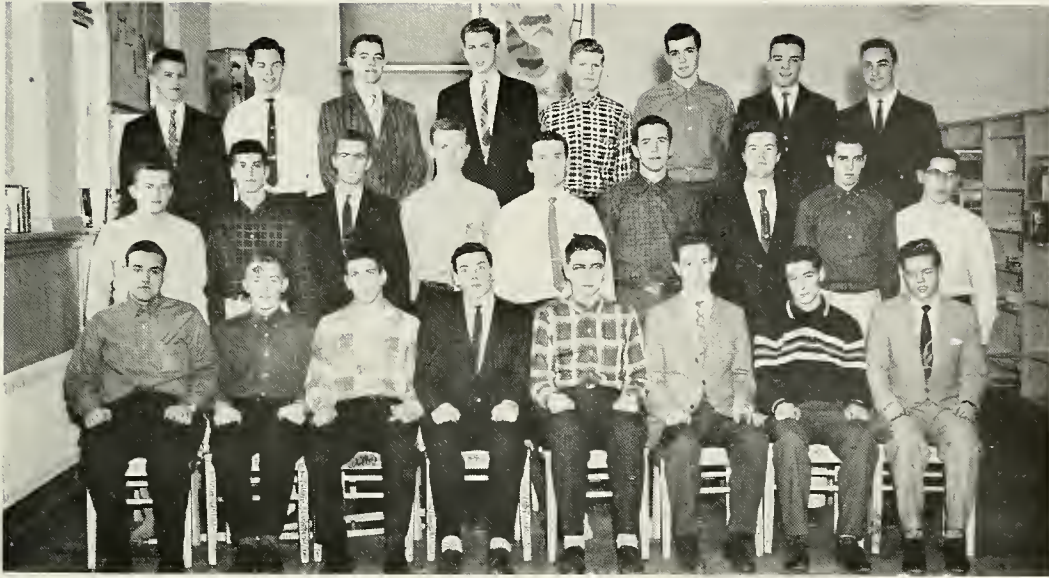

We hope that all future classes will work hard to make the "Hilltopper" an unchangeable tradition at Norwood High.

Hi-Los

Their Music Charmed Us All

The year of 1960 proved to be one of the most successful for the Varsity Choir. 170 boys and girls, the largest number ever selected, were named to sing Soprano, Alto, Tenor, and Bass.

All will long remember our choir's rendition of "The Battle Hymn of the Republic." Someone even said our choir sounded almost like the Mormon Choir that popularized this song. At the Christmas Assembly the favorites were: "Ring Christmas Bells," and "The Echo Carol."

For the first time, the choir presented carols for the townsfolk in downtown Norwood.

The highlight of the year was the May 27 Spring Concert. A full length program was presented at the Senior High Gym

for our parents and friends. In addition to mixed numbers, the boys and girls sang separately as the Hi-Fis and Hi-Los. Remember the Hi-Fis singing "Oklahoma" and "The Coast Guard Song;" the Hi-Los singing "De Ole Ark's A Moverin' " and "My Hero;" the Varsity Choir singing "Ride the Chariot" and "Wunderbar?"

Norwood High was proud of the ten singers selected for the District Chorus at Weymouth. Janna Bremer, Stella Orlando, and Peter Reeves also went to All-State at Worcester.

The Choir's Director, Mr. John Faucett, was very happy to award "Certificates of Membership" to all of his singers of 1960 because of their fine accomplishments.

Our Future Business Leaders Served The School Well

The Norwood High Business Club, working hard and conscientiously, under the guidance of Mrs. Carol Davis, met the challenge, qualified, and joined the *Future Business Leaders of America*, with a membership of fifty-two.

The first Stenographic Bureau was formed at N.H.S., through which the members volunteered their time and capabilities to the advantage of the teachers, doing typing, filing, and general office duties.

In November, a representative from Bryant and Stratton Business School, Mr. Maloney, spoke to the club and offered an opportunity to the FBLA to visit and observe a class day in session at Bryant and Stratton.

Representatives and speakers from business schools and local business firms, introducing the members to the business world, have been guests of the club.

The officers are: Winifred Pender, President; David McMorrow, Vice-President; Jaelyn Pasioneck, Secretary; Carol Griffin, Treasurer; and Marjorie White, Reporter.

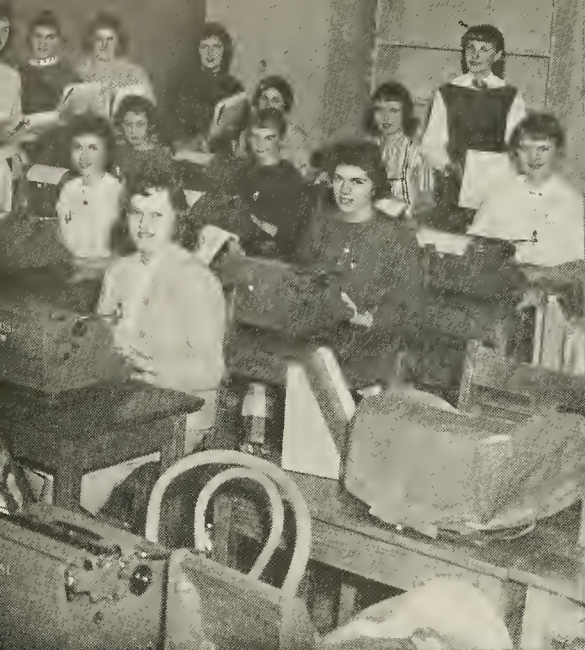

Members have been busy selling N.H.S. Pins to raise the funds with which a Savings Bond Award is offered to the outstanding Senior in the Business Department.

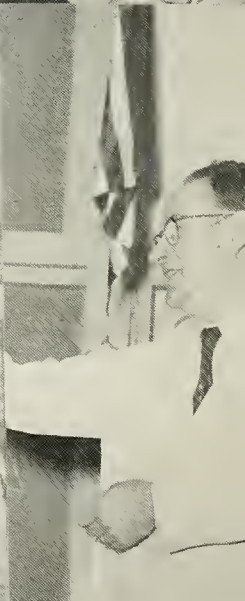

The group who originated the club wish all success to the future FBLA Organization at N.H.S.

Sports

In the coming decade, spectator sports will thrive. The actual participation in amateur team sports will probably see a sharp decline. Many innovations will be made in rules and regulations. New and modern arenas and stadiums will be constructed. Professional football will begin to outdraw baseball as our national pastime. These changes and probably many more will come about, but the main attraction that sport holds will remain, the challenge—in the skill and endurance of the participants competing with each other, and nations competing with other nations as they did in the Squaw Valley Olympic contests. As Americans, we shall hold with the belief that the way the game is played is as important as the result; for victory can be bought too dearly.

Slow Start, Fast Finish

Norwood High's grid heroes started off the '59 season by bowing to the Big Red, Natick High. Although two touchdowns were scored by our team, both aerals from Dave Bader, one to John O'Donnell and the other to Tim D'Espinosa, Norwood lost 38-14.

The following week, Norwood suffered a heartbreaker when they were tied by Needham 8-8. Phil DeRose scored the touchdown and extra points on end sweeps, receiving exeptional blocking from Vin Lutkus and John O'Donnell.

Walpole defeated Norwood in a nip and tuck battle and we had to wait seven more days to achieve our first victory. This was over Milton, with Steve Gulla scoring twice and Tom D'Espinosa once. Billy Davis, the speedy sophomore, crossed the line for his first touchdown. Fine blocks were thrown by Bob Jesseau and Bill Hebner in this game.

The Hingham game was postponed and our short winning streak snapped with a

score of 14-6. In this game Mike Seafati made his first of many interceptions, setting up "Despi" for the score.

The following Saturday Steve Gulla scored on the second play of the game with Wellesley. At the beginning of the second half Dave Bader hit O'Donnell with a pass good for 81 yards and a touchdown, but Wellesley came back to beat Norwood 24-14.

The following Monday we beat Braintree 14-12. The touchdowns were scored by Steve Gulla with the winning two points scored by T. D'Espinosa.

The Framingham game was an 8-6 victory. A fine play set up by Joe Ridikas, John O'Donnell and Ed Antonitis resulted in a touchdown by Ed.

On Thanksgiving Day the locals defeated Dedham 12-6, due to the fine interecption and runback of Mike Seafati and the speed of Tom Despinosa, and so ended the season in a blaze of glory.

Our Basketball Team Fought All the Way

Our basketball team was under a handicap this year because of a lack of varsity players. In spite of this fact, they compiled a respectable 6 won and 11 lost record and fought their best in every game. In many games our hoopsters were in the lead until late in the fray, when the reserve strength of other clubs would make the difference, and our boys would come out on the short end of the score.

Starters for Norwood H.S. this year were: Capt. Dan Laakso, center; Tom Jackson, forward; Ron Hardy, forward; Dave Bader, guard; and one of next year's Co-Captains Phil DeRose, guard.

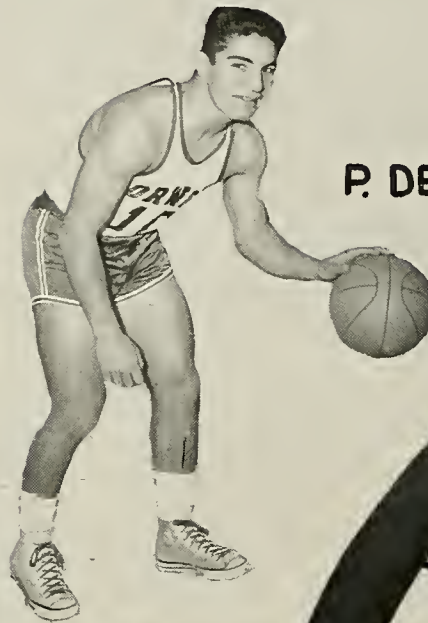

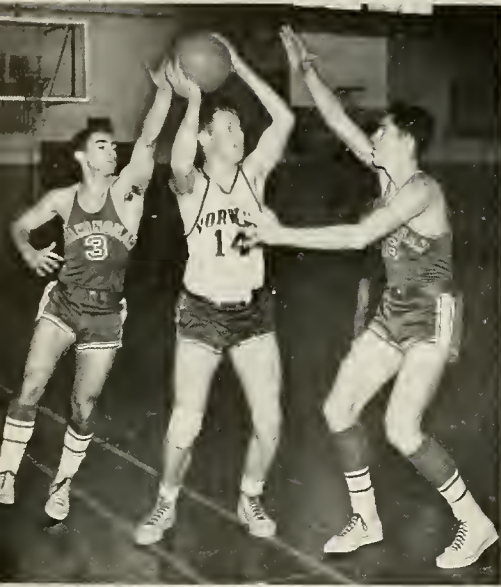

Also seeing a lot of action during the season was sophomore Pete Maddocks, who filled in very capably for Ron Hardy, when the latter was hurt in mid-season. Big Pete hauled down 132 rebounds throughout the season and showed promise of being one of Norwood's future greats. Also doing their share were guards

Peter Paul and next year's other Co-Captain Larry Newman. Bill Hebner and newcomer Fred Caritte throughout the year served as capable reserves.

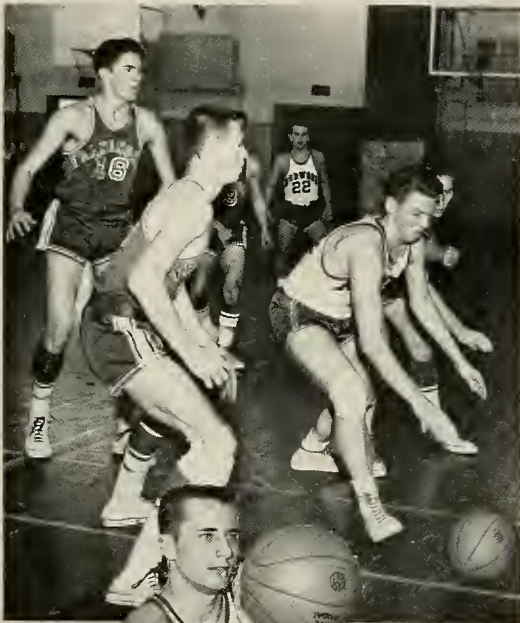

Our Capt. Dan Laakso not only led the team in scoring but also topped the whole Bay State League. In addition to his 21.4 per game scoring average, "Laks" pulled 265 rebounds for an average of 15.6 per game. Playing along beside Laakso was Tom Jackson, who finished third in the league in scoring, averaging 18.6 per game. This duo presented quite a threat to opposing teams this year.

Looking ahead to next year, Coach Richardson has high hopes of bettering this year's record. Led by Co-Captains Newman and DeRose, plus Pete Maddocks and Fred Caritte, the varsity will be very strong, as Erie Konstitis, Bill Davis, Bill Balutis, and Paul Bender move up from the J.V.'s to make their bids for varsity jobs.

We Had High Hockey Interest

The 1959-1960 season marked the advent of a new and more powerful Bay State Hockey League. Playing against what was easily the toughest competition in the state, Norwood High School's hockey team gave several indications of its true potential. It remained, however, for the intensive pressure of the State Tournament to bring out the qualities of a truly great hockey squad.

Having inaugurated the new season with a decisive 2-0 victory over Dedham, Norwood, by dropping the next two games to Milton and Framingham, reached the season's lowest ebb. A thrilling 0-0 tie with favored Needham followed by a 4-1 win over the Big Red of Natick served to put the Nuggets back on the right track. Then a temporary 4-0 derailment by the perennial power of Walpole set up a surging comeback streak of four wins which was climaxed by a hard fought 4-3 victory

over Framingham, perhaps the best played game of the season. The regular Bay State League play ended for Norwood with alternate losses and victories: losing to Needham and Walpole and defeating Natick and Wellesley.

At the conclusion of the regular season, however, the third position in the league, and the Tournament berth that went with it, were undecided. On February 24 at 3:00 P.M. a playoff between Norwood and Framingham was deadlocked at one goal apiece. When two successive sudden death periods had still not decided the winner, the officials ruled that a coin toss would have to suffice. Norwood won the toss and entered the State Tournament. They succeeded in defeating Woburn 3-2 and humiliating G.B.I. Champion Arlington 5-0, before losing a 1-0 battle to West Springfield in the State Quarter-

Our Diamondmen Shone Brightly

The brilliant hitting of Larry Newman and Phil Derose and the pitching of Jeff Johnson and Tommy Jackson sparked the Norwood Nine to one of their best seasons yet.

Opening day saw Norwood defeat Braintree 2-0 as Jeff Johnson hurled a two hit shutout at the "Wamps." In the second game Norwood was defeated by Needham 7-3. The only bright spots for the Norwoodites were triples by Newman and Derose and a tremendous home run by Brian Hebner. Norwood got back into the win column with an 8-5 win over Dedham. Danny Laakso and Billy Hebner contributed triples while Larry Newman belted a home run. The next game saw Norwood travel to Walpole and swamp their nemesis.

Larry Newman led the team to a lopsided 13-5 win over Wellesley with four hits including a triple.

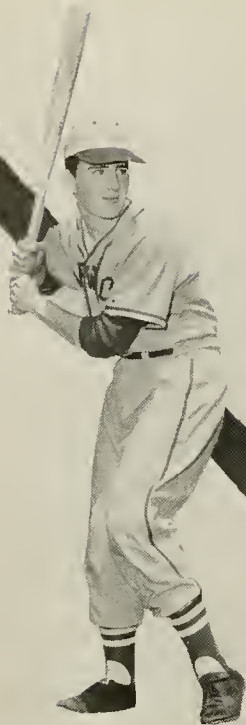

Dave Drummey singled and doubled in the same game and contributed some fine

fielding to win this victory. In the Natick game it was Newman again with a home run and Paul Folan with three hits who led the team to an 11-10 win over the highly rated Natick team. Framingham became the second team to defeat Norwood when they turned back the Seafatiemen by a 6-3 count. Paul Folan collected three hits to lead the attack. Norwood surged back after the Framingham loss to bury Milton 13-0.

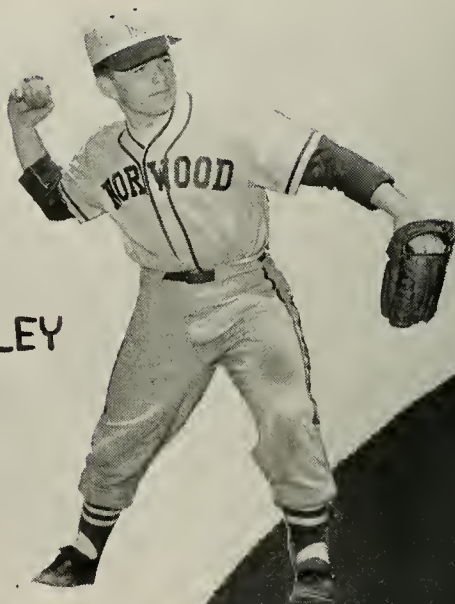

In the opener of the second round Norwood took its third loss from an improved Braintree team by the score of 7-3. Phil Derose, Danny Laakso, and Steve Coakley contributed two hits apiece in a losing cause. Playing his first game after being injured in the Wellesley contest, Billy Hebner led the batters with three hits in four times at bat as Norwood edged Needham 6-5. Phil Derose smashed a home run and Danny Laakso drove in the winning run with a triple to deep left center.

Class Will

We, the Class of Nineteen Hundred and Sixty, being of sound mind and relatively sound character, do hereby proclaim this to be our last will and testament, bequeating our most cherished possessions acquired during our three-year residence at NHS to the most meritorious under-graduates and do declare all other endowments set forth in our name null and void.

ARTICLE I — To Mr. Hayden we leave our sincere thanks and appreciation and also a pair of roller skates in order that he may successfully complete his daily rounds of the high school when it is enlarged by the new addition.

ARTICLE II — To our Senior Advisers we leave our true gratitude for the three years in which they participated to their utmost capabilities in helping us on our road to the shining white diploma.

ARTICLE III — To Miss Ryan we leave an invisible helper to spy on that fun-loving traffic squad.

ARTICLE IV — To Mr. Roche we leave a \$25 gift certificate at Simmons Upholstering Co. so that he may have the bench in the office made more comfortable.

ARTICLE V — To Mrs. Riley we leave a pat on the back for all her hard work on the Tiot and some sound-proof Tiot rooms so that all the noise made by her industrious workers will not be heard in the library.

ARTICLE VI — To Mr. Scafati we leave our sincere sympathy. Why? Because we know Jean won't be as good a football player as Mike was.

ARTICLE VII — To Mss Evans we leave a giant size bottle of Jiffy Diamond Polisher, need we say more?

ARTICLE VIII — To Miss Kiley we leave a winning girls' basketball team and an automatic orange slicer for those half-times.

ARTICLE IX — To Mr. Flaherty we leave a book entitled "How to Raise Teachers for Fun and Profit."

ARTICLE X — To Mr. Kenefick we leave a set of automatic wall maps so that he won't have to raise and lower them so often.

ARTICLE XI — To Mrs. Davis we leave a tennis racket with a detachable handle with which she'll be able to beat time in her rhythmic typing classes.

ARTICLE XII — To Mr. Piccirilli we leave a set of calling cards with the correct spelling of his name imprinted on them and the phonetic spelling underneath for the pronunciation.

ARTICLE XIII — To Miss Wegerdt we leave a sun lamp so she can keep that Florida tan all year long.

ARTICLE XIV — To Mrs. McGrath we leave a gold-plated tachistoscope, and you'll never guess why. You'll just have to ask her!

ARTICLE XV — To our "men against grime," the hard-working custodians, we leave self-polishing corridors and uncarveable desk tops.

ARTICLE XVI — Our Co-Editors Madeline Zilfi and Pat Dempsey leave their abilities and accomplishments to the Dependable Duo of next year.

ARTICLE XVII — Ronny Hardy, our 3-year Prexy leaves his formula for successful public relations to Charlie Donahue and John D'Espinosa.

ARTICLE XVIII — The cast of the Senior operetta leaves the "Tall Trees" to the grounds keepers of NHS.

ARTICLE XIX — Capt. Danny Laakso and Tom Jackson leave their high scoring records to be equaled by Phil DeRose and Larry Newman.

- ARTICLE XX — The '59-'60 Cheerleaders leave 9 free singing lessons to the "rah-rah" girls of '60-'61.
- ARTICLE XXI — "Pee Wee" Mahoney leaves her wardrobe to Maura Graney and hopes that the style of short skirts is still in fashion.
- ARTICLE XXII — Our Senior Diamond Men leave their new field at Father Mac's to the coming team.
- ARTICLE XXIII — George Kozak leaves his red caddie cap to the Junior girls . . . since most of them have worn it at one time or another.
- ARTICLE XXIV — Leontina Valentinas leaves a non-skid baton to Franny Eckhardt, along with a pair of nimble feet.
- ARTICLE XXV — Steve Sacco and the Student Council Officers and Executive Board leave their seats at the front of the council room to next year's lucky ones.
- ARTICLE XXVI — Dave Curley refuses to leave his collection of Bing's records to anyone!!
- ARTICLE XXVII — Madeline Zilfi leaves a book entitled "Do's and Don'ts Abroad" to Danny Sarno with the hope that his experiences this summer will equal hers.
- ARTICLE XXVIII — Eddie Graney and Jim Neilsen, along with the Golden Nuggets, leave their place in the State Tourney to the lamplighters of '61.
- ARTICLE XXIX — The "old lady downstairs" of the Senior Play leaves her parakeet Tweeter to the Bird Lovers of America.
- ARTICLE XXX — Inger Hallstrom leaves with mixed feelings for her native land of Sweden, taking with her all her fond memories of NHS.
- ARTICLE XXXI — Dianne Daley and Marianne Cooper leave their "best friends" label to Dale Johnson and Edie Lindblom.
- ARTICLE XXXII — Mike Scafati, Steve Gulla and Bob Jesseau leave their thoughts of calisthenics in the spring to the aspiring gridiron stars of tomorrow.
- ARTICLE XXXIII — Charlie Fanning and Barb Eppich leave a bottle of glue and some extra-sharp scissors to the Picassos of next year's Tiot.
- ARTICLE XXXIV — The Class of 1960 leaves with mingled emotions to face the "cruel world" taking with them the memories of their school, their teachers and their friends.

In witness thereof, we have hereunto subscribed our names and affixed our seal on this the sixth day of June in the Year of our Lord Nineteen Hundred and Sixty.

We wish to remind our advertisers that the teen-age buyers are an integral part of a booming market. Teen-age girls last year spent \$837 million on back-to-school clothing and \$300 million on cosmetics and toiletries. Teen-agers pay out more than \$1.5 billion a year on entertainment; they buy more than a half of all single records; and they eat 20 percent more than most adults. With a population growing by leaps and bounds, the next decade will see a million or more new businesses which will result in greater production, more sales, and larger profits. Our hopes of material security depend upon the strength of the United States economy and upon the fruit of our free enterprise system.

Lorraine and Jacquie were the first in our class to get diamonds.

Remember the seance at George P.'s party?

When you graduate it's wonderful to have a telephone job waiting for you. You'll love the friendly new people you meet. And you'll like the excellent salary, the regular increases, the opportunities for advancement and the many additional benefits that make working for the Telephone Company so attractive to so many young people.

Telephone jobs are important ones. We have our own training program which you can enter without any previous job experience.

Why not come and see our employment interviewer soon . . . before you graduate. Ask the Guidance Counselor at your school to tell you when and where to apply.

Hockey (Continued from Page 156)

The reason for the great success of the team is, of course, the players themselves. Norwood's star-studded first line of Capt. Ed Graney, Jim Neilsen, and Alan Welch, ably backed up by Charlie Donahue and Jim Jessick on defense and Donny Smith in the goal certainly merited the confidence placed in them by Coach Monbouquette. No less important was the strong second line of George Kozak, Paul Johnson, and Dave McCue and the fine

defense of Dave Walton and Steve Butters.

Finally, and most important of all, in every one of the eighteen hockey contests in which they participated, Norwood's hockey team showed the highest degree of good sportsmanship and gentlemanly conduct. They reflected, in every way, the greatest possible credit on their coach and on their school.

Merci Beaucoup

We wish to take this opportunity to thank the sponsors and advertisers who have helped us to finance this yearbook. At the same time, we wish to suggest to our fellow classmates and to all our friends who read this book that they patronize the stores listed in our advertising section. Yearbook advertising may reach a more limited audience than newspaper advertising, but it is much more permanent and much more handsomely displayed, and it will be read through the years by all of us who cherish this souvenir of happy high school days.
